SUBMISSION OF ABSTRACTS

The registration of participants to Symposium with the paper title, abstracts and full author's names should be submitted to organizer on-line until **December 1 2016**, through web-page www.agrores.org.

Abstract should consist of the title, full names of authors, the name and the address of their institutions and the e-mail address of corresponding author of the paper.

Abstract should not exceed 350 words and should be written in English.

The papers for plenary lectures will be provided by the organizers upon direct invitation to respective authors. All other participants submit papers independently. Each abstract will be peer reviewed. Once accepted, the notification will be provided via e-mail to presenting author.

The registration of participants without papers submission to Symposium should be submitted to organizers until **February 20 2017** via on-line registration through web page www.agrores.org.

PRESENTATION OF PAPERS

Authors are encouraged to express the preferred art of presenting: oral or poster. However, the final decision on the way of presenting and number of presentations in each thematic field will be made by the Organizers. The authors will be duly notified.

Presentations need to be submitted to the organizer at the latest before the beginning of the section.

Posters should be prepared in format 60 × 90 cm.

SUBMISSION OF FULL PAPERS

All authors interested to publish papers in Agrozanje (Agro-knowledge Journal) (DOI number: 10.7251) should submit full papers no later than the date of the beginning of Symposium. Papers should be written in accordance with the Instructions for writing papers of Agro-knowledge Journal available at www.agroznanje.org.
